

PROPER JOB THEATRE COMPANY ARE EXPANDING OUR BOARD...

If you feel passionate about positive social change and believe in the power of creativity, you could be a great fit to join us!

Proper Job Theatre has a proven track record and is evolving to now build on this success across the North.

We are particularly interested in developing trustee expertise in:

- **Creativity to improve health and health inequalities**
- **Creative Industries and talent development**
- **Performance**

We are dedicated to increasing access to the arts and recognise that valuable leadership experience is gained in many different ways. We encourage applications from a broad base representative of our communities.

No previous board experience necessary.

Our board meet quarterly online with one meeting per year held in person, usually from our main base in Huddersfield (with dinner afterwards!)

This is a voluntary position with expenses covered.

To express interest please complete this [online form](#) - Deadline for applications 12 noon on Thursday 18th June.
